

REQUEST TO CALL FOR A SPECIAL PARLIAMENT SITTING ON PAHALGAM HINDU MASSACRE

Hyderabad / New Delhi,
30th April 2025.

1

To,
Shri Kiran Rijiju,
Hon'ble Union Minister for Parliamentary Affairs,
Government of India,
Room No. G60 & G61, Parliament House,
Sansad Marg,
New Delhi – 110001.

Namaste Sir,

Subject: *Call for Special Parliament Sitting – Reflection of India's democratic character – Solidarity from all MPs – Review of security lapses – Evaluation of Course Correction Steps & way forward – Others*

As we stand with the families and loved ones of the departed souls who succumbed to the deadly and cowardly terrorist attack targeting Hindus in Pahalgam on 22nd April 2025 by the Islamic terrorists, we need to show our conviction to the nation and the world about our unity in times of adversity.

Over the past one week since the terrorist attack which targeted Hindus, social media is flooded with Islamophobic content seeking open genocide against Indian Muslims and calling them as terrorists and sleeper cells. We are living in highly charged and polarized times, all across the world, there is polarization and, during these tough times, individual citizens and elected governments have a great degree of responsibility to ensure that trust and faith towards their governments is reinforced and that a strong sense of community, nationality, patriotism, humanity and human dignity prevails among all members of the society and nation regardless of religion, caste, creed, faith, gender, culture and language.

The Government of India under the leadership of our most revered leader Shri Narendra Modi Ji has constituted an All-party Meeting after the Pahalgam Hindu Massacre and has accepted the lapses in security reflecting our mature democratic

tradition. It is an indisputable fact that despite our best efforts, these sort of unfortunate terrorist attacks might happen since, as I mentioned earlier, we are living in highly charged and polarized times.

By convening a Special Parliament Session and allowing all the political parties and their Members of Parliament (MPs) to share their thoughts and spread the idea of unity, inclusivity and human security amongst adverse times would send a strong message to the nation, our whole world and to all our adversaries that India as a Liberal Constitutional Democratic Republic and as a newly-industrialized economy will not be a force to reckon with. It also enables all political parties to strongly and sincerely work towards fixing the most-pressing security problems in their respective states.

In addition, such a Special Parliament Session headed by our Hon'ble Prime Minister Shri Narendra Modi Ji with his magnificent oratory and leadership skills as the Leader of the House is bound to leave an eternal impact on our country and her people.

Thank you!
